PlayCreation Named Landscape Structures' 2022 Rep of the Year

Team acknowledged for culture, creativity and best-in-class service

Delano, Minn. (Feb. 22, 2023) – Landscape Structures Inc., a Delano, Minn.-based commercial playground equipment manufacturer, has named PlayCreation of Burien, Wash., 2022 Rep Organization of the Year. The award was presented to the PlayCreation team last month during Landscape Structures' annual sales meeting.

“PlayCreation was named 2022 Rep Organization of the Year because of their outstanding culture, the creativity their team brings to every aspect of the business, and their commitment to delivering the best-in-class service to their customers,” said Pat Faust, president of Landscape Structures. “PlayCreation has been a great partner of Landscape Structures as well as the playground design industry as a whole, and we are proud to have their team bringing our playground, shade and splash pad solutions to Washington and Northern Idaho.”

PlayCreation is known for developing long-term relationships, collaborating with customers to help bring their design ideas to life and continuing to deliver high-quality service for the life of the playground, splash pad and commercial shade structure. The team goes the extra mile for their customers and has fun while doing it.

“We couldn't have done it without our customers,” said John Mullan, president of PlayCreation. “We're fortunate to be living in these times where our job continues to get cooler because we're helping communities throughout the area create fantastic playgrounds.”

PlayCreation is one of more than 50 independent sales organizations representing Landscape Structures worldwide. They have been a distributor of Landscape Structures playground equipment for

nearly 20 years and are now bringing SkyWays® shade structures and Aquatix® aqua playgrounds to communities in Washington and Northern Idaho.
